

## Directions To Bolberry House Farm Caravan & Campign.

The postcode for our location doesn't send you where you need to go, so instead put Bolberry House Farm caravan and camping park into Waze / google which will get you to us.

All sat navs now seem to be sending people down some narrow country lanes, so the easiest way to avoid this **is to set your sat nav for Bolberry House Farm & Caravan Park, then add "Loddiswell" as a stop on the way.**

Once you reach Malborough, you are not far away. Keep following your sat nav and the brown signs to Bolberry House Farm Caravan And Camping until you get to the main signposted entrance into the caravan park shown on the right (about 1 mile after Malborough).

**DRIVE PAST THIS ENTRANCE UNTIL AROUND 150 METRES LATER YOU SEE THIS SIGN:**

TURN RIGHT immediately before old building as shown by the arrow below:

Follow the road (slowly as bumpy) down past the owners farm house on your right and then around the side of the farmhouse to the right until you see these posts leading up to our paddock straight ahead of you:

Drive through the gates following the narrow track up to the paddock where you will see our caravan just ahead of you to the right of the track.

Park nose to nose with Emma's car as shown below:
